Education

University of Missouri–St. Louis (UMSL) — St. Louis, MO
Master of Science in Computer Science (Expected Fall 2029)
Relevant Coursework: Machine Learning, Information Security

University of Missouri–St. Louis (UMSL) — St. Louis, MO
Bachelor of Science in Computer Science (Dec 2025)

St. Charles Community College (SCC) — Cottleville, MO
Associate of Science in Computer Science, High Honors (Dec 2022)

Central China Normal University — Wuhan, China
Master of Arts, Linguistics (2011)

HCM City University of Social Sciences and Humanities — Ho Chi Minh City, Vietnam
Bachelor of Arts (2009)

Technical Skills

- Languages: Python, C++, Java, JavaScript, SQL, HTML/CSS
- Security & OS: Kali Linux, DGB, Hashing/Salt (SHA) Burp Suite. Linux/Unix debugging
- Frameworks/Tools: React, Node.js, Express, MongoDB, MySQL, Git/GitHub
- Focus Areas: Software development, database design, cybersecurity, data analysis

Projects

- **Damn Vulnerable Web Application Pen-Testing:** Exploited and mitigated SQL Injection, CSSR, and command injection on a local DVWA instance. Analyzed source code filters; produced a detailed report.
- **Password Authentication & Cracking System:** Implemented multi file password storage using C++.
- **Unix Memory & Overflow Analysis:** Used GDB on a Unix server.
- **Loan Prediction (Python, ML):** Developed machine learning models to classify loan approvals; performed data cleaning, feature engineering, and evaluation using scikit-learn.
- **Program Translation Project (C++):** Implemented a compiler that parses source code and generates equivalent C++ output.
- **Full-Stack Web Apps**: Built interactive websites using React, Express, and MongoDB with secure user authentication.
- **Database Management (SQL):** Designed normalized relational databases, optimized queries, and implemented stored procedures.

Work Experience

Host/Cashier – Ameristar Casino | St. Charles, MO | 2020–Present
- Provided customer service and managed transactions with accuracy and efficiency.
- Coordinated with team members to ensure quality service delivery.

Professor – Vietnam Thu Dau Mot University | Binh Duong Province, Vietnam | 2012–2019
- Coordinated and managed Chinese linguistic and culture program.
- Conducted research in linguistics and culture while overseeing student projects.

Additional Skills

- Strong communication and teamwork experience.
- Multilingual: Fluent in Vietnamese and Chinese.
- Proficient in Microsoft Excel, Word, and PowerPoint.
